

Clean and Green Pakistan Drive at VU

Virtual University of Pakistan, in pursuance of Prime Minister's "Clean and Green Pakistan" campaign launched plantation drive at Kala Shah Kaku Campus on Thursday, March 28, 2019. The main purpose of this campaign was to encourage faculty to plant trees and create awareness about clean and pleasant environment.

The event was jointly arranged by Directorate of Quality Enhancement and Environmental Protection Society of Virtual University of Pakistan. Mr. Naeem Tariq, Rector, Virtual University of Pakistan and Dr. Naveed A. Malik, former Rector VUP along with Principal Officers visited Kala Shah Kaku campus for the said purpose. Chief Guest, Dr. Naveed A. Malik formally inaugurated the tree plantation drive by planting a sapling. He expressed that the sole purpose of plantation drive is to keep the surroundings clean, green and pollution-free, in addition to resist global warming and adverse effects of climate change. Mr. Naeem Tariq acknowledged the efforts of Environmental Protection Society for promotion of green culture in VU campuses across the country.

Faculty members and senior officials participated in plantation activity and planted more than 100 saplings on the occasion. This activity aroused great enthusiasm among participants.
