

Botany experts of Twenty One Universities visited Virtual University Head Office

A group of Botany experts of twenty one universities visited Virtual University Head Office on 28th June 2018. Dr. Muhammad Mohsin Javed (Director Quality Enhancement) welcomed and briefed about Virtual University's system for imparting education especially the programmes related to Life Sciences. The members keenly visited Studios and TV transmission/broadcasting station. They highly appreciated the efforts of Dr. Muhammad Mohsin Javed for arranging such an informative visit to Virtual University of Pakistan.
